

# BAL BHAWAN SCHOOL

*"No Great Achievement is possible without persistent work"*

We have a lot to cheer this festive season.

We feel proud to share a happy news with you all that under the able guidance of our prudent leaders Mrs. Humaira Arif (Principal) and Ms. Anubha Mishra (Vice Principal), Bal Bhawan School has been ranked No. 11th all over India by EDUCATION WORLD INDIA SCHOOL Rankings 2022-23, in the Vintage Co-Ed Day Category by the esteemed jury panel.

The award bears testimony to our untiring consistent efforts to promote holistic education and equipping the young minds with the right imagination, aspiration and knowledge to take the world in their stride. The award was received by our Honourable Principal Mrs. Humaira Arif.

It is surely a proud moment for the Bal Bhawan Family, as it has upheld the best standards of education with distinguished activities, exceptional qualities and prominent achievements.

*Looking forward to many more of such milestones together!*

# Class Activities

# After nourishment, shelter and companionship, stories are what we need the most in the world.

Stories always give wings to our imagination and take us to places beyond the boundaries of physical world. Keeping this in mind, a Story Telling competition was organised in Bal Bhawan School on 30th September, to enhance the speaking skills and to develop self confidence in the kids of Grade 1.

The children narrated stories with great enthusiasm and zest . They dressed up as different story characters and presented their stories with the use of facial expressions and voice modulation. To captivate the audience's attention, the little narrators used props as well. Each and every story was narrated with a moral. The oratory and presentation skills of tiny tots were splendid !

**"Plant seeds of happiness, hope, success and love and it will all come back in abundance"**

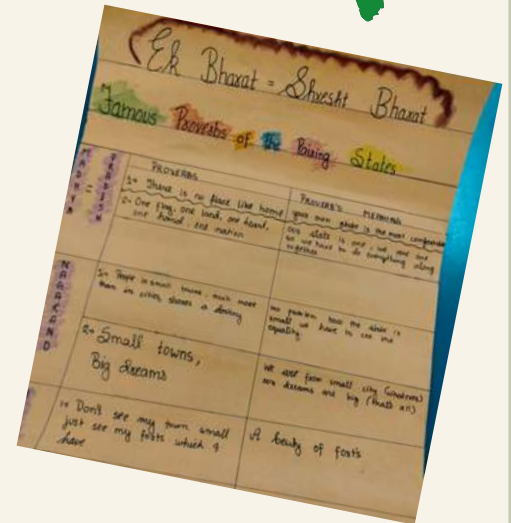

**Students of Grade 2 performed a Seed Germination Activity which gave them an opportunity to observe the growing of a seed closely. They became aware that water, sunlight, soil and fresh air are the best friends of the seeds and help the seed to grow into a plant.**

**Students learnt about the process of growth of a seed into a young plant called germination. The activity went very well and the kids participated with a lot of excitement. They loved to watch the progress of their plant each passing day.**

# "Ek Bharat Shreshtha Bharat"

**A PROVERB WRITING ACTIVITY** was conducted for the students of Grade 6 ,7 during their English class wherein the students presented the famous proverbs of the pairing states **NAGALAND, MANIPUR & MADHYA PRADESH.**

It was a group activity with an objective to make the students learn the famous proverbs of these states in a fun-filled way.

# Swachhta Pakhwada Observed in Bal Bhawan School

## Swachhta Participation Days

To create awareness among students on all aspects of Swachhta i.e. personal, physical, mental, environmental etc. an essay writing was held for grade IX to XII. It is rightly said that "Write What Should Not Be Forgotten". Our students penned down essays reflecting their views and ideas for being responsible in keeping the surrounding clean and the environment green as they believe that, "If you want to change the world pick up your pen and

## Hand Wash Day

Bal Bhawan School celebrated Hand Wash Day to create awareness about the steps of hand wash among the children and to teach them the importance of hand washing in daily basis. A proper demonstration was given by the teacher about the different methods and steps of hand washing.

## Green School Drive Days

The purpose and objective of Green School Drive is to create a community in which we approach our biodiversity in a sustainable and safe way. In this regard students of Bal Bhawan came out with creative, imaginative, eye catching slogans and posters to express their views and concerns on various themes such as water conservation, eliminating single use plastic etc. Through this the students were made to understand the importance of green environment around us and the various natural sources of water.

## SWACHHTA SHAPATH DAY

Swachhta Pakhwada commenced with Swachhta Shapath Day where students and teachers took the oath to make efforts and to commit themselves to keep the surroundings cleaner and greener. This initiative of the government not only promotes students good health but also has a positive rub off on the learning outcomes. The students took this in great spirits and understood their role in making a clean and green nation for the future generation to come.

# **Career Guidance Program**

# CAREER GUIDANCE SEMINAR

A Career Guidance Seminar was conducted at Bal Bhawan School in association with SILICA, was coordinated by Mrs. Zeenat Siddique. SILICA is an organisation engaged in guiding and preparing students for careers in design, fashion, architecture and arts, helping students to choose the right design career, using unique Aptitude Tests and Career Guidance tools.

Niraj Sanghvi, today's Guest Speaker, is Regional Director of SILICA (MP and CG). Niraj has done communication design (PG) and has been working in the Indian media and entertainment industry for 20 years as Creative Director and has been in design education and career guidance for more than 10 years.

In today's seminar students got to know about more than 45 career opportunities in the field of Design, Architecture and Art. They also got answers to a few very important questions like, How to identify the right career? On what basis they should choose their subject in class XI. What entrance exams should they appear after class XII. What all different career pathways they can take etc.

Overall students got to explore that if they have a creative spark, they can make a rewarding and futuristic career out of it. It was an enriching session for the students.

# Interschool Debate Competition

**CARPEDIEM** an Interschool debate competition was held at SPS, Bhopal.

Our students expressed their views on 'Electric Vehicles Are The Wave Of The Future'. They debated by putting forth their views convincingly. It indeed portrayed their understanding and knowledge of the topic. The interjectors' questions were a think tank for the participants.

The competition was undoubtedly a great platform for the participants to express their opinion

# "THERE IS HOPE, EVEN WHEN YOUR BRAIN TELLS YOU THERE ISN'T"

The World Health Organisation recognises World Mental Health Day on 10 October every year. The theme of 2022's World Mental Health Day, set by the World Federation for Mental Health, is 'Make mental health and wellbeing for all a global priority'.

Mental health day was observed by class 11th and 12th Psychology students who took the charge to spread awareness regarding mental health. They stressed on the idea that one should not struggle in silence as nothing in this world can torment you as much as your own thoughts.

**It was an informative initiative by the students**

# Bal Bhawan School Holds Science Carnival

Science is a way of life. It is a perspective. It is the process that takes us from confusion to understanding in a manner that's precise, predictive, and reliable, a transformation for those lucky enough to experience it, that is empowering and emotional.

The Science of today is the technology of tomorrow.

Technology and Science are crucial in the rapidly changing world of today.

Bal Bhawan School, Bhopal organized Science Exhibition for class 4th to 12th students where students have showcased an amalgamation of creativity, science and technology.

The highlights of the exhibition were:-

Doctor's corner, Planetarium, Agricultural corner, Machines corner, Food corner, Scientific rangolis, Colours of Chemistry, ATL models and many more.

The models and exhibits were judged by Dr.C.M.Krishna, Professor at MANIT, Bhopal and Mr.Ashish Kolarkar CEO of Datatrack.

## **THE BAR HAS BEEN RAISED.....**

**With the month flying by with accomplishments, success and honours, the impossible has been made possible..... Bhawanites has raised the bar whether it is academics, sports or cultural they have touched the horizon.**

**It is said that the road to success is always under construction but not only our students but also our teachers have showcased their fierce desire and strong determination and proved that challenges and problems are the fuel of success .**

**It is just the beginning.....as we at Bal Bhawan believes that life should not only be lived, it should be celebrated.**

**When the trusted path turns hostile,  
When it brings with it a few thorny  
miles,  
Build your own unblemished road  
Among the heap of dust,  
Pave out your way through the  
thorns  
And the rust.**
